

FOR COUPLES · NOVEMBER 2026–JANUARY 2027

Relationship Magick

Do you long to rekindle the spark you once had with your partner?

Whether you've just fallen wildly in love, or you're years into your relationship and feeling the flame fade, this course is your path to a magnetic, lasting, turned-on union.

Relationship Magick is for couples who know they're meant for something more: more intimacy, more passion, more truth, deeper orgasms, and more power together.

WHAT YOU'LL LEARN

- How to build a real foundation through powerful, conscious agreements
- How to become attuned to micro-facial expressions, breath, and nervous system cues
- How to create safety and polarity at once, so you can stay turned on without losing ground
- How to interrupt the depolarization that creeps into even the most connected partnerships
- How to support each other's full aliveness while showing up as your most expressed self
- How to work with masculine/feminine polarity in a way that creates magnetism and embodied performance, as an art, not an act
- How to understand attachment dynamics and prioritize your relationship above the noise of the outside world, in a way that feels nourishing for both of you
